- Optimal for rooftop pedestal installations

PACKAGING

- 64 sf/pallet
- 600 lbs/pallet
- 16 pc/pallet
- 1 pc = 4 sqft

PATIO LAYOUTS

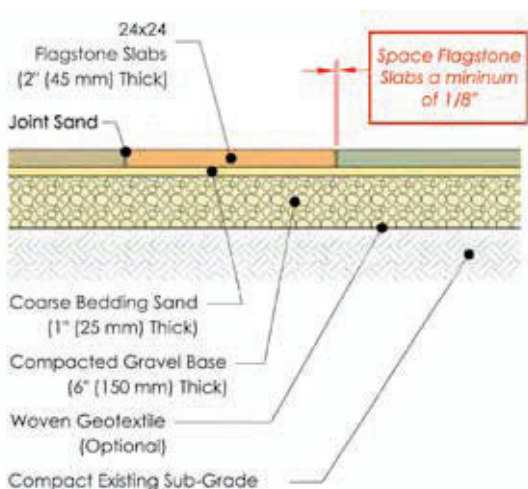

STACKED BOND

RUNNING BOND

24x24 FLAGSTONE CROSS-SECTION (on-grade installation**)

**24x24 Flagstone slabs must be spaced apart a minimum of 1/8". these slabs were originally developed for rused iwht rooftop pedestal mount systems. On-grade installations require manually spacing the slabs apart. This can be achieved using a pair of 1/8" wooden shims or by using removable tile spacers. Failure to provide a relief joint will restruct the seasonal flexibility of the patio.
